MOLONEY IS SOURED BY "ONE WHO KNOWS"

But as "The Boss" was successful in what the Western enterprise is meeting here.

A writer in the Chicago Tribune writes about a column in Monday's issue to bring along "Political Capital" in connection with the recent campaign.

M. J. Moloney of Ottawa has been identified with the money which was used in the recent campaign.

It became known in the same column in the Tribune that the man who hired Moloney is identified with the money which was used in the recent campaign.

HAD A VERY NARROW ESCAPE

From Wednesday's Daily: While Mrs. E. Spencer of 111 1/2th street was engaged in her usual Sunday morning task of doing the laundry, she had a very narrow escape from a very serious and perhaps fatal accident.

As has been reported, Mrs. Spencer found a small quantity of dynamite in the kitchen, and for some time she was engaged in trying to get rid of it.

Although Mr. Spencer's hands were severely burned, he and his wife were not injured. The dynamite was removed and the house was cleared of it.
