There was no change in the Lord Mayor's condition yesterday. Cork prisoners were very weak. In the case of Mr. Donovan, one of the untried hunger-strikers, Father Connery, C.C., Emly, in a telegram to Father Carroll, Grenagh, states that he saw Donovan about his house at the time of the alleged occurrence.

The Dublin shipping strike continues. The cattle market was interfered with and traffic directed to other ports. The trouble has extended to Cork, where it has affected the Steam Packet Company, Mr. Smillio suvises the miners to accept the owners' datum line

proposals as a temporary measure. In Cork a meeting was held of those engaged in the Building and Allied Trades, at which steps were taken for the formation of a company for the purpose of manufacturing cement locally.

Dublin Port and Docks Board condemn the Government's action in stopping castbound U.S. passenger sleips from calling at Queenstown, A statement issued by the Irish Penco Conference says that at an early date they will meet the Prime Minister and lay before him the resolutions at the Dublin meeting. If these proposals are put forward by the Government as a firm offer, the Peace Conference believes they would have the greatest chance of acceptance by the Irish people.

At Feakle, East Clare, in an attack on a police barrack Constable Stanley was shot dead and Sergeant Doherty badly wounded. There are reports that the Government are threatening a new.
